Dear Mr Morgan,

Thank you so much for taking such good care of me , I am very grateful that your surgical skill has made my Hartmanns Reversal a success. Thank you also for your patience in answering all my questions and reassuring me during my regular panics.

I continue to make steady progress and at 7 weeks post op everything is settling down well and I am now appreciating what a difference the reversal has made to my quality of life. I cannot thank you enough for your skill and kindness.

With many thanks
Yours sincerely
