To The Management and Staff of Heath Rd Hospital, Ipswich

I would like to offer my sincere thanks to all those concerned with my recent illness, operation and recovery. I found all the staff to be professional, caring and friendly. From the meet and greet volunteers, reception staff, specialist nurses & nursing staff, porters, catering staff, cleaners, doctors and theatre staff. From my initial appointment with the Endoscopy team through to my surgery with Mr. Morgan and his team, I received an excellent service.

The hard work and dedication of those involved is greatly appreciated. I believe the good care which I received assisted my speedy recovery.

Once again I would like to offer thanks to all staff, from myself and my family.

Kind Regards
